Dear John:

Thank you so much for everything you did to assist us with the November 2010 Halton Crime Stoppers Jail & Bail; your support and assistance is most appreciated and led to a very successful event – to date, we have raised over \$5,000 from bail money received from which we will be able to use for ongoing programs and services offered by Halton Crime Stoppers to the community.

It takes many dedicated and enthusiastic people to plan, organize and participate in such an event in order to make it successful. Our hats off to Oakville Optimist Club whose partnership and participation under the leadership of Carilyn McNaught was stunning. Margaret Dickson of The Hopedale Mall who's eagerness to help and share her space was remarkable. The Halton Regional Police Cadet was a good sport keeping Jailbirds from escaping until bail was posted and jailing unsuspecting children so their parents could shop in peace. We always appreciate the positive exposure we receive from The Oakville Beaver, Cogeco and SNAP. Of course our Jailbirds and Donors are most appreciated. Our Halton Crime Stoppers Board Members and Police Coordinator dedicate their time and resources year round and can always be counted on to step up when needed...in this case, to play a Judge, Prosecutor or Jailbird.

Thank you to everyone for your dedication, participation and for demonstrating your community spirit.

Sincerely,

Deborah Thomson
