THE SECOND LIVE MUSIC LOVERS' CHARITY CONCERT

13 March 1992

John Serre
ST. LAWRENCE COLLEGE NOMAD

Dear John:

With your help, **The Second Live Music Lovers' Charity Concert** was a complete success!

This year's event, at both A.J.'s Hangar and Stages Nightclub, raised over **\$11,000** cash and enabled us to collect 1,100 items of good quality non-perishable food for the Partners in Mission Food Bank. The cash proceeds were divided 75% to Ryandale House for the Homeless - paying their rent for the rest of the year - and 25% to the Food Bank, allowing them to purchase perishable dairy products and produce items.

A rockin' good time was had by all in attendance!

We were also able to bring about the creation of a promotional video for Ryandale House that will assist them in their fund-raising efforts. As well, local hoteliers and other parties contributed large donations of household items and toiletries for Ryandale.

Although Ryandale House and the Food Bank still need our support, both can rest a little easier in the coming months, **thanks to you!**

Having almost doubled last year's results, we feel that our expansion this year to two venues was amply justified. The goal of **The Live Music Lovers' Charity Concert Committee**, however, is to create a **Live Music Lovers' Weekend** for Kingston, also including Jazz, Folk, Country, and Classical music concerts. A central focus of the weekend would be **The Little Live Music Lovers' Charity Concert (L² M.L.C.² ?)**, just for kids! Kingston needs a musical festival - a celebration of the wealth of talent and diversity of styles found in our hometown. Your support of this year's show can only help this dream become a reality.

Until next year, **THANK YOU!**

The Ryandale House Board of Directors would like to take this opportunity to express our most sincere thank you for your participation in the Live Music Lovers' Charity Concert on Sunday March 1, 1992.

Your help with the Souvenir Program, was gratefully appreciated.

Over the past twelve months we have been able to help 354 males, 91 females and 28 families with children. These people often have no idea how we are able to obtain operating funds, but they are most grateful that we are there to help them. It is because of caring people such as yourselves that we are able to continue our operation of helping people who need emergency shelter.

Again, thank you for your contribution to the Live Music Lovers' Charity Concert.

Dear John Serre, Mike Coville, Vicki Simes, Robert Allan,
Tracy Des Noyers, Stephen Cole, Chris Jones, Laura Van Der
Horden,

All of us involved with the Partners in Mission Food Bank are
indebted to you for your work as the Souvenir Program Production
Team for The Second Live Music Lovers' Charity Concert on Sunday,
March 1, 1992.

I understand it attracted many people and those I talked to who were
there said they truly enjoyed themselves.

We of course are extremely grateful for the cash donation of
\$2,500.00 and the 1,154 food items. This year the resources are
stretched to the limit therefore a contribution of this size is a
boon to the Food Bank.

May God bless you for giving of your time and talents to raise funds for
the two charitable organizations involved.

Sincerely,

Dear John,

On behalf of the Songwriters Association of Canada, we would like to take this time to
thank you for helping to support members of your local songwriting community by
facilitating your Regional Writers Group and SongStage program.

As you know, the Songwriters Association of Canada is committed to the development
and recognition of Canadian songwriters, composers and lyricists. The S.A.C. firmly
believes that songwriters play a spiritual and intellectual role in society, which is to the
profound and lasting benefit of humanity.

Your dedication to the Regional Writers Group program, specifically by establishing
and supporting the Halton Writers' Group, has allowed S.A.C. members to reach out
and enjoy the sense of community shared by all songwriters. We would also like to
officially acknowledge and thank you for your assistance with the formation of the
Kitchener/Waterloo and Halifax Regional Writers Group programs.

John, it is because of members like you, that Songwriters Association of Canada can
provide the services and activities that assist so many songwriters across the country.
Once again, on behalf of all of us at the S.A.C., thank you for assisting composers and

Dear John:

On behalf of the Canadian Cancer Society and the Stratford *Relay For Life* Committee, we would like to extend a heartfelt thank-you to you for allowing us to play your song "Real Love - You Don't Know Why" as part of the Opening Ceremonies at our *Relay For Life* event. The contribution of the song that you wrote for your mother who has cancer helped to make *Relay For Life* an outstanding achievement.

Your support was instrumental in the success of *Relay For Life*. Donations like yours assisted our committee in keeping event costs at a minimum, ensuring the best use of every pledged dollar. With your help, we raised over \$231,609, lit 2,150 luminaries, and are now closer to making cancer history. Over 1,600 individuals attended *Relay For Life*, making it a memorable event for participants, survivors, volunteers and spectators alike.

The money raised helps the Canadian Cancer Society lead the way in the fight against cancer. The Canadian Cancer Society funds research on all types of cancer and is the most comprehensive source of credible information on cancer, treatment, and risk reduction. Through our Community Services programs, we provide support for people living with cancer and their family members and friends.

The following events will be happening over the next couple of months:

October 1: Taking Steps Against Breast Cancer - two 5 km family-oriented pledge-based walks to raise money for breast cancer research - one in St. Marys, one in Mitchell. No registration fee or minimum pledge amount.

October 12: A breakfast at the Arden Park for Breast Cancer Awareness Month. Guest speaker Dr. Annie Smith, "Bearing Up with Cancer, life and living with...". Tickets \$15.

October 27: A dinner at the Arden Park regarding Men's Health. Guest speaker Dr. A. Hussey. Tickets \$15.

If you are interested in any of these events, please contact the office at 271-4270.

Thank you for your commitment to beating cancer. We hope you are able to support next year's *Relay For Life* - June 2006!

Sincerely,
