This letter is written in support of John Serre's nomination for the Premier's Awards for Excellence in the Arts.

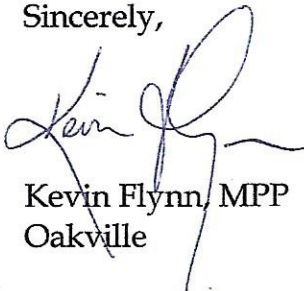

John Serre is an excellent candidate for this award as he has accomplished an extraordinary amount of work promoting Canadian music for many years. John has a passion for music and through his involvement as a Host and Community Producer for TV Cogeco's singer/songwriter showcase INASONG, John has helped expose hundreds of artists to a variety of facets within the music industry for many years.

John inspires all around him and demonstrates leadership through his ability to offer artists the venue to pursue their careers and dreams while at the same time fulfilling his own personal passion.

I am proud to see an individual take a strong position in supporting the arts within the Halton community and beyond.

I fully support this nomination. If I can be of any further assistance please do not hesitate to contact me.

Sincerely,

Kevin Flynn, MPP
