

Kevin Flynn is the current sitting
Minister of Labour for the Province
of Ontario.

KEVIN FLYNN, MPP

Oakville

Dear Sir/Mme,

This recommendation is written with my support for John Serré as an employee, volunteer or other competitive candidacy.

Mr. Serré has been the Community Producer and Host for TV Cogeco's song writer's showcase, In A Song. This program provides an outlet for local artists to have their music heard by their community. Humm Music Canada, an online networking tool for artists, was created by Mr. Serré to showcase Canadian music.

John Serré's work always promotes what is best about the community and I believe these skills would be of benefit your organization.

In closing please accept this letter as a testimonial to the commitment and dedication of Mr. John Serré.

Sincerely,

A handwritten signature in black ink that reads "Kevin Flynn".
