Re: John Serré

To Whom it May Concern:

As a community television station, TVCogeco provides opportunities for many volunteers, interns and co-op students to learn television production skills and be involved directly in our operation. John Serré has been one of our valued volunteers since 2008, as a Community Producer and Host.

At TVCogeco, John has showcased his dedication and focus, supported by a high level of organization and keen attention to detail.

During his time with us, John organized and hosted 4 seasons of our popular music program In A Song, along with 2 specials – one from the Sound of Music Festival, the other a musical celebration of Christmas – and news stories for “The Source” on True North Records and local musician Carolyn Booth. All were well received and attended by great musical talents from the area.

John is a valuable member of our volunteer team, and I have had the pleasure of being his staff producer during his time with us. I have found him to be very gracious, and he is always certain to give credit and thanks to the crew and guests on his programs, and greet them in a courteous manner.

Please contact me at your convenience if you require any further information.

Yours Truly,
