To whom it may concern:

My name is Ann Coburn , Director of Volunteer Halton, program of Community Development Halton. Volunteer Halton's mandate is building community together through volunteerism. Volunteer Halton supports nonprofit agencies with training, consulting and volunteer week celebrations.

National Volunteer Week (NVW) pays tribute to the millions of Canadian volunteers who graciously donate their time and energy. The objective of this national recognition is to raise the awareness of the vital contribution volunteers have made and continue to make to their community. Locally Volunteer Halton supports the recognition of volunteers across Halton through an annual breakfast to launch National Volunteer Week. In 2012 John Serre was recommended by Cogeco TV for the Cheers to Volunteers Award. This award is given to volunteers who have made a significant contribution to their organization. John continues to be an active volunteer in Halton through numerous causes. For this reason I am honoured to support the nomination of John Serre for the June Callwood award.

Thank you for recognizing the contribution volunteers give to building a strong civil society.

Regards

Ann Coburn
